

1006.63. Hazing prohibited

- (1) As used in this section, "hazing" means any action or situation that recklessly or intentionally endangers the mental or physical health or safety of a student for the purpose of initiation or admission into or affiliation with any organization operating under the sanction of a postsecondary institution. Such term includes, but is not limited to, any brutality of a physical nature, such as whipping, beating, branding, forced calisthenics, exposure to the elements, forced consumption of any food, liquor, drug, or other substance, or other forced physical activity which could adversely affect the physical health or safety of the student, and also includes any activity which would subject the student to extreme mental stress, such as sleep deprivation, forced exclusion from social contact, forced conduct which could result in extreme embarrassment, or other forced activity which could adversely affect the mental health or dignity of the student.
- (2) Public and nonpublic postsecondary educational institutions whose students receive state student financial assistance must adopt a written antihazing policy and under such policy must adopt rules prohibiting students or other persons associated with any student organization from engaging in hazing.
- (3) Public and nonpublic postsecondary educational institutions must provide a program for the enforcement of such rules and must adopt appropriate penalties for violations of such rules, to be administered by the person at the institution responsible for the sanctioning of such organizations.
 - (a) Such penalties at community colleges and state universities may include the imposition of fines; the withholding of diplomas or transcripts pending compliance with the rules or pending payment of fines; and the imposition of probation, suspension, or dismissal.
 - (b) In the case of an organization at a community college or state university which authorizes hazing in blatant disregard of such rules, penalties may also include rescission of permission for that organization to operate on campus property or to otherwise operate under the sanction of the institution.
 - (c) All penalties imposed under the authority of this subsection shall be in addition to any penalty imposed for violation of any of the criminal laws of this state or for violation of any other rule of the institution to which the violator may be subject.
- (4) Rules adopted pursuant hereto shall apply to acts conducted on or off campus whenever such acts are deemed to constitute hazing.
- (5) Upon approval of the antihazing policy of a community college or state university and of the rules and penalties adopted pursuant thereto, the institution shall provide a copy of such policy, rules, and penalties to each student enrolled in that institution and shall require the inclusion of such policy, rules, and penalties in the bylaws of every organization operating under the sanction of the institution.
